The big idea

You're ready to submit your own idea. Your supervisor will give you an official Product Proposal Form. You can use the example form below for practice. It will be looked at by the directors at Widgets, so make it look good!

Complete the Product Proposal Form and submit a separate copy to your supervisor.

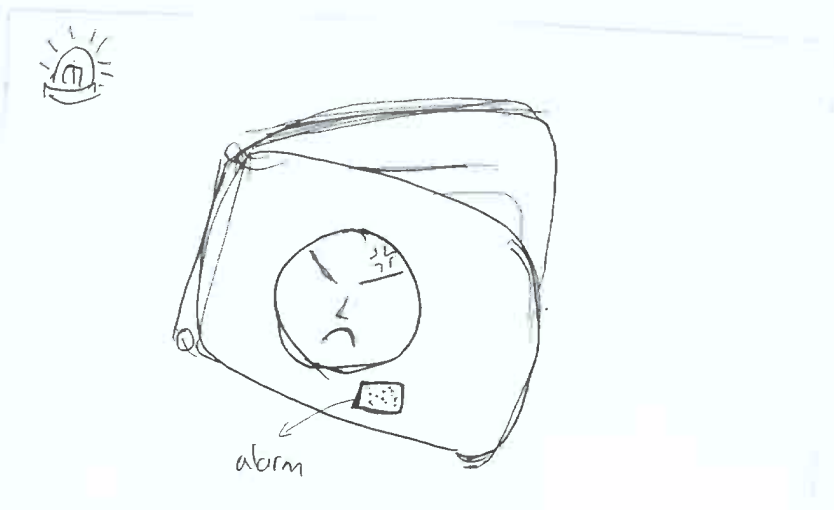

Product Proposal Form

Employee name: Han youn-ji

Team name: Camping Car
Miser Wallet

Product name

Product sketch

Purpose: To form reasonable consumption habits price 10,000 won

Product description and other information:

Miser Wallet makes us to form reasonable consumption habits. It has a changeable face that relate to how much you spend during a day. More you spend, more angry this face change. And this wallet will alarm you by noisy siren when you spend more than your standard limit.
